NOTE: Course listings are subject to change. Dates for semesters and terms are subject to change. Please check the academic calendar prior to the start of each term.

*Students who need College Algebra, Math 105, will be required to do one or more of the following:

1. If eligible for college algebra via transcript review, Complete Math 105 – College Algebra over one 16 week semester.
2. If not eligible, take a math placement test by scheduling with the RN-to-BSN advisor via email at rn2bsnadvisor@louisiana.edu. Once you receive your math placement score, contact your advisor for next steps.
